ADMISSION TO GRADUATE CLASSES

To register for one or more graduate classes each student must have completed an application for admission and receive favorable action on it. An applicant who has not previously been admitted to graduate classes must submit his completed application and have official transcripts sent to the Dean of Graduate Studies at least two weeks prior to the registration date of the session in which he wishes to begin his studies. This procedure must be followed whether or not the student wishes to become a candidate for the Master's degree.
